JANUARY 2017 NEWSLETTER

LYNN FRIPPS PARENT ADVISORY COUNCIL

We had a wonderful first few months of the school year - and raised a significant amount of funds, thanks in large part to you and the many parents who get involved and support school initiatives either by participating, donating, volunteering or organizing. Looking forward, we have many events for you to get excited about and we hope to see you and your family at some (or all!) of them.

Alicia Rempel, PAC President

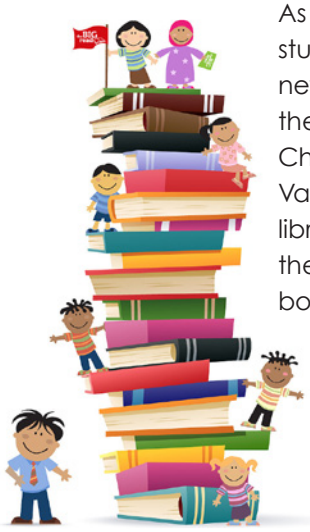
Book Drive January 9th to January 23rd



As our library is in need of books, students are invited to bring in a new book that interests them for the library. Or if they would rather, a Chapters Gift Card or cash so Mrs. Vanberkel can purchase what the library needs. The class that brings in the most books (a $10 gift card = 1 book), will receive treats delivered to their classroom! If you donate a gift card/cash, please put it in an envelope clearly identifying the amount loaded on the card, your child's name and division.

REPORT CARD SURVEY

This survey is coming to you because in BC what students are learning has changed. Teachers are focusing on what students need to understand (Big Ideas), what they can do (Curricular Competency), and what they need to know (Content). The report card you received last month reflects these changes. The District values your opinion and feedback. Please take 10 minutes of your time to complete the online survey:

https://www.surveymonkey.com/r/SD35ReportCard

The results will provide feedback to us on how to best move forward as we continue to refine how we communicate your child's learning. For more information on these changes please contact your child's teacher and/or visit this website: www.curriculum.gov.bc.ca. **Please note the survey will only be open until January 15, 2017**.
