Stay tuned for the Clothing Drive coming up in the third week of January!

We hope you had a "Spooktacular" time at our Halloween Family Dance! A special thank you to our parent volunteers and PAC executives who lent their time and energies putting on a terrific event for our kids to enjoy. As we move into November (it always feels like the calm before the storm doesn't it?) we have even more fun activities in store. PAC event teams are busy working on annual favorites such as the Family Movie Night, Jar Bazaar and Pancake Breakfast. And, we have begun making some important decisions, such as allocating PAC funds and reviewing school club requests for financial assistance. We want you to be a part of making these decisions! Every voice counts. And we've structured our PAC meetings so that some occur during the daytime and some in the evenings – doing our best to accommodate your schedules. We hope you can join us!

Lest we Forget

*"They shall not grow old, as we that are left grow old,
Age shall not weary them nor the years condemn,
At the going down of the sun and in the morning,
We shall remember them"*

REMEMBRANCE DAY: WEDNESDAY, NOVEMBER 11TH

Dollars & Cents

Our annual **Classroom Enrichment Drive** is now complete, having raised **\$3000** to be divided equally by the 16 divisions.

COBS Dough Raiser Program

Andrew from COBS Bread attended our last PAC meeting and presented us a cheque for **\$153** from the Dough Raiser program. COBS will donate back 5% of sales when you mention you are with Lynn Fripps School (before the order is complete).

The **PAC** has approved the following spending:

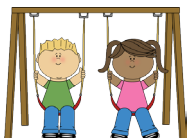

- **\$8,000** for a new playground swing set
- **\$2400** to supplement classroom field trips (divided by division)
- **\$1200** towards the Mobile Planetarium, a school wide event
- **\$500** towards the Gr. 5 farewell event
- **\$2000** for Teachers Funding Requests

Thank you Fripps Families for your outstanding generosity!

A NOTE FROM OUR PRINCIPAL: The new swing set is installed and bringing such joy and fun for the children. We are making them an extension of the **Adventure Playground** when organizing the age groups during recess and lunch:

PRIMARY USE: Monday, Wednesday, Friday at noon / Tuesday, Thursday at recess
INTERMEDIATE USE: Tuesday, Thursday at noon / Monday, Wednesday, Friday at recess

As well we are opening the east all-weather field and sand box on Monday, Wednesday and Friday, weather permitting. The supervision of the fields is excellent on these days. The players and diggers will welcome this new play option.
